

Nylon Philips Pan Head Screw – Metric Size

White Plastic Nylon Pan Head Phillips Screw. Nylon pan head screws are commonly used in electronics. Nylon fasteners offer several advantages. These include a high amount of insulation and resistance to corrosion. Compared to aluminum, another material heavily used in electronics, nylon is lighter, stronger and offers high wear resistance.

SKU: [MCH-1292](#)

Brief Data:

- Length L: 6~25mm.
- Thread Size: M3~M6.
- Material: Nylon.
- Finish: Black.
- Head Shape: Philips Cross.

Mechanical Dimension:

Unit: mm

The Face behind our product quality...

In a world of constant change and continuous technological development, a new or replacement product is never far away – and they all need to be tested.

Many vendors simply import and sell without checks and this cannot be the ultimate interests of anyone, particularly the customer. Every part sell on Handsotec is fully tested. So when buying from Handsotec products range, you can be confident you're getting outstanding quality and value.

We keep adding the new parts so that you can get rolling on your next project.
