

## Data Specs

## T Slot Screw for Aluminium Profile Drop-In Type

These are post insertion Tee screw that can be added anywhere along the slot of compatible extrusions profile. These Drop-In Tee screw are great to have on hand because they do not need to be placed in from the ends of the extrusion. They can be easily placed in later in the building process. Drop in Tee screw is installed by placing them in the profile/extrusion-Slot. When the nut is engaged, it will turn them and engage them into the bottom side of the profile slot. Once tightened the teeth grab into the anodized coating, to ensure a no-slip connection.

**SKU: [FAS1283](#)**

### **Brief Data:**

- Aluminum Profile Size: 2020, 2040.
- Thread Size: M5.
- Length: 16mm.
- Head Shape: Hammer.
- Material: Stainless Steel.
- Finish: Zinc Plated.
- Thread Type: Metric.
- Weight: 6g.

**Mechanical Dimension:**

**Unit: mm**

| Model | Size(D*L)/mm | H   | S   | B    | K    | Drawing |
|-------|--------------|-----|-----|------|------|---------|
| 20s   | M5x10        | 3.5 | 6   | 10   | 6.2  |         |
|       | M5x12        |     |     |      |      |         |
|       | M5x16        |     |     |      |      |         |
|       | M5x20        |     |     |      |      |         |
|       | M5x25        |     |     |      |      |         |
| 30s   | M6x12        | 5   | 8   | 16   | 8.2  |         |
|       | M6x16        |     |     |      |      |         |
|       | M6x20        |     |     |      |      |         |
|       | M6x25        |     |     |      |      |         |
|       | M6x25        |     |     |      |      |         |
|       | M8x16        |     |     |      |      |         |
| 40s   | M8x16        | 5.5 | 8   | 18   | 7.9  |         |
|       | M8x20        |     |     |      |      |         |
|       | M8x25        |     |     |      |      |         |
|       | M8x30        |     |     |      |      |         |
|       | M8x35        |     |     |      |      |         |
|       | M8x40        |     |     |      |      |         |
| 45s   | M8x16        | 5.5 | 8.5 | 19.2 | 10.2 |         |
|       | M8x20        |     |     |      |      |         |
|       | M8x25        |     |     |      |      |         |
|       | M8x30        |     |     |      |      |         |
|       | M8x35        |     |     |      |      |         |
|       | M8x40        |     |     |      |      |         |

**Application Examples:**

**The Face behind our product quality...**

**In a world of constant change and continuous technological development, a new or replacement product is never far away – and they all need to be tested.**

**Many vendors simply import and sell without checks and this cannot be the ultimate interests of anyone, particularly the customer. Every part sell on Handsotec is fully tested. So when buying from Handsotec products range, you can be confident you're getting outstanding quality and value.**

**We keep adding the new parts so that you can get rolling on your next project.**
